St Paul's Apparel Store Now Available!

Church Council has set up an online store to purchase apparel with the St Paul's Logo! Select from t-shirts, sweatshirts, jackets and hats in a variety of colors and size options. Check out the following link to see all the options <https://stpaulschurch.itemorder.com/> and place your order!

Need help placing your order or have questions? Council members will be available in between services on Sundays and prior to service on Wednesday evenings. We'd be happy to answer questions and assist with placing your orders. If you haven't seen the logo, there are sample shirts available in the gathering space.

The online store closes December 18th so don't wait! Check it out today! Orders will be completed approximately 3-4 weeks after the store closes and will be distributed via the church office once completed
